**SUPPORT CONNECTION  
YORKTOWN HEIGHTS, NY**

Join us for an evening of no-stress crafting and the good company of others as we present another enjoyable session of our “Coffee, Cookies, and Crafts” series. The desire to relax and have fun are the only skills required.

Support Connection Peer Counselor Marlene Stager will lead us in an evening of creativity and companionship.

Come in out of the cold and enjoy a warm beverage, cookies and camaraderie. We’ll supply the materials and refreshments and hope you’ll provide the company.
