

## Joining or forming a Team AFTER you've created your page:

Here's how to connect your Firstgiving page to a team if you *didn't* do that when you created the page:

1. Go to [Firstgiving.com](http://Firstgiving.com) and sign in.
2. Select your page name or “Edit.”
3. As shown below: On the bottom left, select “Join a team.”

4. On the next screen (shown below) you can join an existing Team by finding it on the list and clicking “join team.” **OR**, you can create a new Team: On the right, in the box “Can’t find your Team?” type in the Team Name, then click the “add team” button.

5. The name of the Team you selected or added will now be listed when you select the Team tab on your fundraising page.
