

National Educational Webinar For Women With Ovarian Cancer

Pre-registration is required.

Call Support Connection: 914-962-6402 or 800-532-4290.

**Tues. Sept. 19, 2017
8 – 9 PM**

Join us for this informative program which is open to women nationwide who are living with ovarian cancer. You may participate via webinar or toll-free teleconference. Dr. Herzog will speak on the latest in ovarian cancer treatment and what's on the horizon, followed by a Q & A period.

Topics to be covered include:

- The latest info on the development of drugs for advanced ovarian cancer
- Other novel chemotherapeutic agents in development
- Advances in immunotherapy
- PARP Inhibitors
- The role of molecular profiling

SPEAKER: Thomas Herzog, MD

Dr. Herzog is Deputy Director of both The Barrett Cancer Center & The University of Cincinnati Cancer Institute. He is also Vice-Chair of Quality and Safety for Obstetrics and Gynecology, University of Cincinnati College of Medicine.

Dr. Herzog has served as a Principal Investigator in a number of GOG trials with a special emphasis in ovarian and endometrial cancers. He has authored/co-authored over 270 peer-reviewed articles and lectures extensively nationally and internationally.

Dr. Herzog has been on the leadership council of the Society of Gynecologic Oncology, the Foundation for Women's Cancer, Board of Governors for the American College of Surgeons. In 2013, he was elected to the Board of the American Board of Obstetrics and Gynecology, and in 2014 to Council for the International Gynecologic Cancer Society. In 2015 he was elected to the Board of Director of Gynecologic Oncology Group Foundation.
