

How to Join or Form a Team AFTER You've Created Your Page

It's easy to connect your Firstgiving page to a team if you *didn't* do that when you created the page.

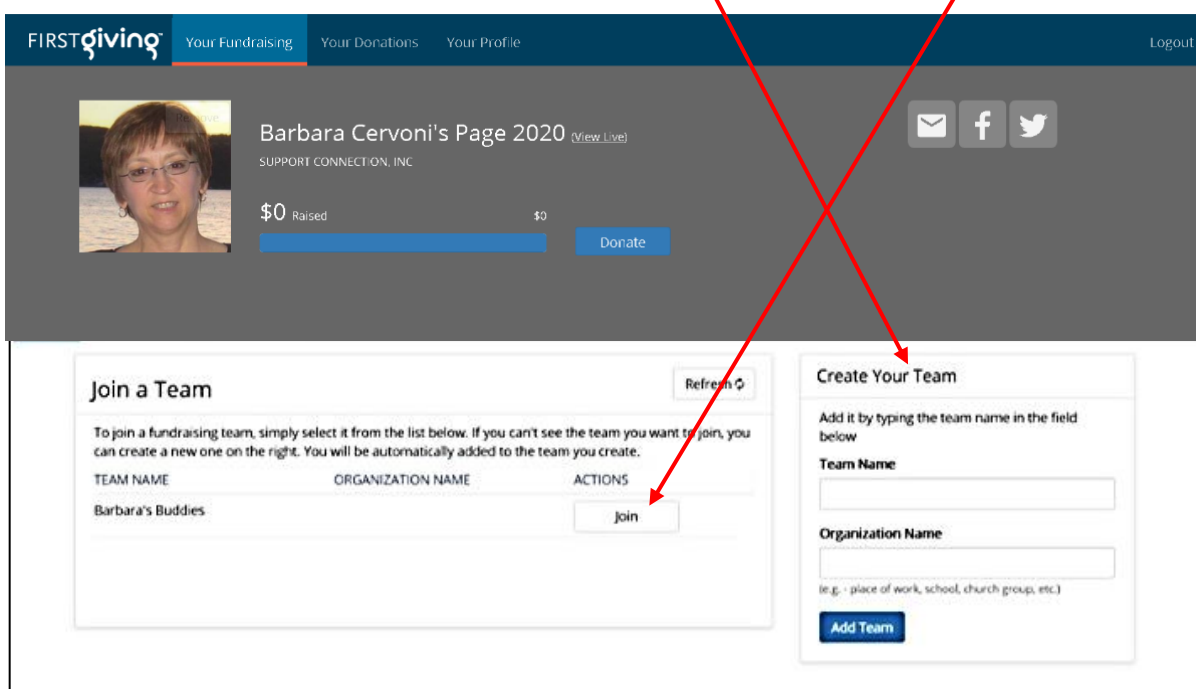

Go to Firstgiving.com and sign in. This will bring you to your Firstgiving account homepage.

Then, click "[Join/create a team.](#)"

Then, on the next screen (shown below) you can:

- **Join an existing Team:** Find the Team name on the list and click "[Join.](#)"
- **Create a new Team:** Where it says "[Create Your Team](#)" type in the Team Name you want to use, then click the "add team" button.

The name of the Team you selected or created will now be listed on your fundraising page!
