

# Journal Ad Opportunities

Placing an ad in our Benefit Journal is a great way to congratulate Support Connection for providing many years of service. Your ad can also promote your business, share a message in tribute to our honorees, or in honor/memory of a loved one. The journal will be presented to the honoree and on our website for thousands to see.

**Support Connection** is a 501 (c) (3) not-for-profit organization established in 1996. Our mission is to provide emotional, social and educational support services to women affected by breast and ovarian cancer, as well as their families and friends.

**By taking a Journal Ad, your donation helps fund our free services:**

***Personal and Professional One-on One Peer Counseling***

Support is available for the person dealing with cancer as well as family members and friends. Support Connection is unique as the counselors on staff are **cancer survivors**; they truly understand.

***Toll-Free Telephone Information & Support Groups***

We offer individual and group support nationwide, from the comfort of your own home.

***Support Groups***

We have monthly groups, led by trained peer facilitators, who are **cancer survivors**. It is a place to share anxieties, information, ideas, laughter and hope.

***Men's Groups***

We offer groups for men whose lives have been impacted due to a spouse or partner with breast or ovarian cancer. It is a place for men to be with others who know what they are going through.

***Wellness Programs***

- ◆ Yoga Classes for Cancer Survivors
- ◆ Healing, life-enhancing workshops
- ◆ Skills to help cope with recovery & treatment while continuing day-to-day life

***Educational Forums***

We provide valuable information from experts in health care & related fields.

***Last year our Spring Benefit Sponsors and Donors helped us touch many lives. Because of their generosity, we were able to offer:***

- ♥ Over 1,000 sessions of Individual Peer Counseling
- ♥ 12 Monthly Support Groups
- ♥ Over 80 hours of Educational and Wellness Programs & Social Activities
- ♥ Weekly Yoga classes
- ♥ 3 National Educational Webinars

*And many more programs and services, all of which were FREE OF CHARGE*

*"In 1996 I reached out to Support Connection after being diagnosed with breast cancer. The organization was just starting out, but even then there were support groups and they helped me get through my diagnosis. When I was diagnosed again in 2017 they were there for me once again. In January 2018 I became part of the SC family as the Administrative Coordinator working with the most amazing group of women and witnessing firsthand the importance and impact of SC's work."*

*"When you walk in the door at Support Connection they treat you like you're the only person there. They give you so much love. They just are there for you and no one else."*
