"Support Connection is the finest example of how well the world can work! People with loving hearts, easily coming together to serve each other. It's truly an honor to be connected to the annual walkathon."

"I'm humbled; what an honor to serve as one of the Honorary Chairs. I so admire the entire Support Connection team, for their tireless work to support families dealing with breast and ovarian cancer. I own an event management firm, and we plan about 70 events annually, but I have to say, the Support-A-Walk is by far one of the most inspirational events, it's a day filled with lots of love and support, and I couldn't be prouder to serve as one of the Honorary Chairs! "

- Chereese Jarvis-Hill, 2022 Support-A-Walk Chairperson

Walkers gather for ribbon cutting at our first Walk, Sunday, October 1, 1995.

By sponsoring the Annual Support-A-Walk, you have the power to help us touch the lives of thousands of people affected by breast and ovarian cancer!

At our annual Support-A-Walk, we walk together to bring support and hope to people affected by breast and ovarian cancer. The money raised helps fund our year-round free, confidential breast and ovarian counseling services, support groups, and wellness and education programs. **All of our professional peer counselors have had cancer.**

Our first Walk was October 1, 1995. Several hundred people attended. With the money raised at that Walk, we were able to establish Support Connection. Over the years, we have provided support to thousands of people. The Support-A-Walk symbolizes who we are—we are about caring, unity, support and hope. We are there so no one has to be alone with cancer.

Support Connection is so grateful to our sponsors who help make our Walk a huge success. ***There are many ways you can help*** with sponsor levels to fit every budget. Whether you are an individual or you own a business, becoming a sponsor is an excellent way to show you care.
