Message:

I am raising funds for the 2026 Annual Support-A-Walk for Breast and Ovarian Cancer presented by Support Connection, Inc. Please help by sponsoring me with a donation!

[Support Connection](#) is a truly unique organization. Since 1996, they have helped thousands of people whose lives have been impacted by breast, ovarian and other gynecological cancers. Support Connection provides critically needed counseling, support groups, educational and wellness programs, social activities, and resource information – all at no cost to those who need them.

Everyone at Support Connection is passionate about their mission. Their Peer Counselors are cancer survivors themselves. They understand how important it is to have someone to lean on when your world is turned upside down by a cancer diagnosis.

Support Connection must raise all of the funds for their year-round services, so the Support-A-Walk is a very important event!

Please help by donating to my fundraiser! It's simple and secure. Support Connection is a 501 (c)(3) not-for-profit organization, so all donations are tax deductible. Click here to make your donation: **(add your personal fundraising page URL here)**.

MATCHING GIFTS: Many companies will "match" their employees' contributions, which can double your donation and your impact! Ask your employer if they have a matching gift program and how to submit for it.

Please give whatever you can - together, WE can make a difference!
