TUESDAY, FEBRUARY 16
4 - 6 PM
ZOOM VIDEO CONFERENCE

Relax, unwind, and enjoy yourself in this virtual art workshop. Learn to create pencil illustrations of a variety of animals of your choosing. Explore organic shape, detail, and design with this freeing and forgiving subject matter.

The instructor from *The Art Effect*, a community-based, multi-arts educational center, will guide you through the creative process in an inclusive, relaxing manner.

No special materials needed. Just paper and pencil, and pictures of animals you would like to draw.

If you have additional art supplies (such as colored pencils, magic markers, watercolors, watercolor paper, canvas, etc.) you're welcome to use them.
