**At this session of our  
Book Club, we will discuss  
The Room on Rue Amelie  
by Kristin Harmel**

Set in the tumultuous days of World War II, this powerful novel of fate, resistance, and family is the story of an American woman, a British RAF pilot, and a young Jewish teenager whose lives intersect in occupied Paris.

It is about three people who come together and find courage as they fight to survive.

**Discussion leaders:**  
*Amy Curran Baker (author of Now What? A Guide to Recovery After Mastectomy)  
and Fran Contino*
