**The Rose Code
by Kate Quinn**

The Rose Code is a historical fiction mystery novel by Kate Quinn, published in 2021. Set in England during and just after World War II, the novel follows the experiences of three women who participate in Bletchley Park's codebreaking operation, as well as their efforts after the war to uncover a traitor among their colleagues. Their stories highlight the social changes brought on by World War II, especially concerning gender dynamics.
