American Dirt
by Jeanine Cummins

También de este lado hay sueños. On this side too, there are dreams.

Lydia Quixano Perez runs a bookstore in the Mexican City of Acapulco until one violent day changes everything. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride *la bestia*—trains that make their way north toward the United States, which is the only place they might feel safe. As they join the countless people trying to reach *el norte*, Lydia soon sees that everyone is running from something. But what exactly are they running to?
