Relax, unwind, and enjoy yourself in this virtual drawing program. No previous drawing experience is necessary.

Drawing from imagination encourages taking what's important to you specifically and embellishing it. In this workshop we will focus on creating something completely new and exciting that is unique to you! We will focus on having a fun, relaxing drawing experience that allows you to let go of your preconceived ideas of what makes for a good drawing and embrace the act of drawing from imagination.

Appropriate for all skill levels from beginners to more advanced.

This is a drawing focused workshop. Participants are asked to provide a pencil and paper.

Additional materials such as colored pencils, markers, pastels etc. can be utilized as well.

Space is limited to 20 participants.

An instructor from *The Art Effect*, a community-based, multi-arts educational center, will guide you through the creative process in an inclusive, relaxing manner.
