

Foliage Creations: A Virtual Collage-Making Workshop

To be held via ZOOM

**Open to people nationwide
who have or have had breast, ovarian
or gynecological cancer.**

Relax, unwind and enjoy yourself through the uplifting combination of nature plus art. This workshop will provide an opportunity to explore nature in your own environment. Using items collected from your yard or neighborhood, you'll construct an original portrait.

The only supplies needed are a piece of paper and a small baggie (sandwich bag size) filled with flowers, grasses, twigs, leaves and any other plant materials you'd like to include. To insure freshness, materials should be collected no sooner than the day before the program.

**THURSDAY,
SEPT. 10**

**4 - 6 PM
(NY TIME)**

Pre-registration
required.

To register, call before
5 pm NY time on Sept. 9.
