Thank You to our Sponsors We can't do what we do without you!

By sponsoring the Annual Support-A-Walk, you have the power to help us turn fear into hope for those affected by breast, ovarian, or any gynecological cancer.

Each October, we walk to raise funds for our year-round **free**, **confidential & unlimited** counseling services, support groups, wellness & education programs, and social activities. What makes Support Connection special is that all of our professional peer counselors have had cancer themselves. We've been there. We care.

The Support-A-Walk symbolizes who we are - we are about caring, support and hope. No one should fight cancer alone.

Support Connection is so grateful to our sponsors who help make our Walk a huge success. There are many ways you can help, with sponsorship levels to fit every budget. Whether you are an individual or a business owner, becoming a sponsor is an excellent way to make a difference, support your community, and show you care.

Walkers gather for ribbon cutting at our first Walk, Sunday, October 1, 1995.

Reasons to become a Support-A-Walk Sponsor

- You will have a positive impact on the lives of people impacted by breast, ovarian, or other gynecological cancers.
- Your support helps fund our free, unlimited, one-on-one peer counseling services, provided by professional counselors who are cancer survivors themselves. In addition, we offer support groups, wellness & education programs, and social activities for those living with cancer.
- It is a great way to showcase your business while supporting those in need. The Walk is attended by thousands of people and is promoted throughout the year.

In 2022, Support-A-Walk Sponsors helped us provide...

- 2,872 individual contacts with cancer survivors, family members, and friends, providing indepth, personalized support and information.
- 82 Monthly Support Groups, with a total of 199 attendees.
- 100 Virtual Wellness Classes, with a total of 604 attendees.
- Social Activities such as Book Club, Cooking Classes and Art Programs.

In 1995 Nancy Heller, a breast cancer survivor, and the late Richard Adamski, who lost his wife Myra to breast cancer, met on a bus after a cancer walk in NYC. They decided to host the very first Support-A-Walk in FDR Park, and used the funds raised to start Support Connection in 1996!

"Support Connection is the finest example of how well the world can work! People with loving hearts, easily coming together to serve each other. It's truly an honor to be connected to the annual walkathon."

> - Kacey Morabito Grean, Support-A-Walk Chairperson
