**MONDAY, AUGUST 24, 2020  
6 - 7 PM (NY TIME)**

There is no age discrimination for cancer. Support Connection understands the unique challenges faced by those diagnosed at a young age. In this time of virtual support, we are offering this toll-free discussion to young women across the nation.

Join us and hear firsthand how other women diagnosed at a young age dealt with these challenges. Connect with other women and see that you are not alone. These days we all need to feel a little closer. Connect with us as we share support.
